### **When You Arrive**

- Please Park in the middle parking lot. Since our donation center is in a mall, the spaces directly in front of stores are reserved for shoppers.
- We suggest that all volunteers arrive 15 minutes prior to the shift to check in. This will help us ensure that all volunteer shifts begin on time.
- When you enter the building, we will ensure you are registered before you join other volunteers for our shift orientation.
- Your shift will start promptly at your scheduled time and will begin with a brief orientation.
- Following orientation, you will be led to your volunteer station where your Volunteer Leader will provide instructions about your task for the shift. Your Volunteer Leader will be present during the entire shift to answer questions and provide guidance.

Thank you for choosing to volunteer with us. You are joining thousands of people who have already made a significant impact in our community. We are looking forward to meeting you and working together on your upcoming volunteer shift.
